

## 9th Annual Plaza 10K Supporting Saint Luke's Home Care & Hospice

### September 8, 2019 • 7:30 a.m.

*Race will begin at Ward Parkway and Central Street in Kansas City, MO.*

Be a part of the ninth annual Plaza 10K to support Saint Luke's Home Care & Hospice! Presented by KC Running Company, the event features a flat and fast course along the banks of Brush Creek and goes through the heart of the Country Club Plaza. The Plaza 10K is one of the region's only 10K races, and draws over 4,000 runners on race day. Runners will receive a high quality technical shirt and finisher's medal, and will enjoy a variety of great food and beverage options as well as live music in the post-event area just north of Brush Creek at Central Street and Ward Parkway.

Your sponsorship of the Plaza 10K will help Saint Luke's Home Care & Hospice continue to provide high-quality, compassionate care to our community. Since 1975, Saint Luke's Hospice – one of the region's first hospice programs – has provided passionate, comforting care to patients and their families in 22 Missouri and Kansas counties. Our goal is to help patients and their families manage the physical, emotional, and spiritual challenges that occur at the end of life so they can stay focused on spending quality time together.

### About the Cause

Saint Luke's Home Care & Hospice is one of the area's most experienced post-acute care providers, serving 29 counties in Missouri and Kansas with a one-of-a-kind continuum of care. We are one of the only providers in the region offering home health, infusion pharmacy, and hospice and palliative care services.

When medical science can no longer extend a patient's life, hospice care can add more life to each remaining moment. We work with patients, their families, and physicians to make the end of life a time of comfort, enrichment, and love.

### Our Mission

Saint Luke's Hospice nurses and staff strive to help patients control and direct their end-of-life care. Providing peace of mind, dignity, and comfort—on the patient's terms—in their own home or at the Saint Luke's Hospice House, located at 35th Street and Southwest Trafficway, is of paramount importance. The hospice team provides medical, emotional, and spiritual support to not only the patient, but also to the patient's family and friends.

### Volunteer

Plenty of volunteer positions are available for those who want to help out with the race. For a full list of volunteer opportunities, please visit [www.plaza10k.com](http://www.plaza10k.com).
